

SATURDAY FUN WITH SCIENCE

AGENDA

“Fun With Science”: Science experiments on states of matter, air pressure, density, electricity and chemistry.

Discovery Center: Learn about the Lab and ride the Energy Bikes.

Fun With Science is for fifth graders, but other ages enjoy it too. Admission is free. Seating is limited; call or email for a reservation at 925-423-3272 or superscience@llnl.gov. The area of the Lab you will be visiting is open to the general public; cameras are allowed.

FIRST SATURDAY OF THE MONTH

Session No. 1: 10:30 a.m. to noon

Session No. 2: 12:30 to 2 p.m.

QUESTIONS & RESERVATIONS

Please contact Diane Nelson at 925-423-3272 or superscience@llnl.gov

DIRECTIONS

From Highway 580 traveling east (from Oakland):

- Exit at Greenville Road (in Livermore)
- Left on Southfront Road
- Right on Greenville Road
- Right into Eastgate Drive. Look for the green awning on the left. Proceed and turn into the parking lot with green awning that says “Discovery Center” (Bldg. 651)

From Highway 580 traveling west (from Stockton):

- Exit at Greenville Road (in Livermore)
- Right on Altamont Pass Road
- Right on Greenville Road (turn right).
- Right into Eastgate Drive. Look for the green awning on the left. Proceed and turn into the parking lot with green awning that says “Discovery Center” (Bldg. 651)

Note: Take the Greenville Road exit, not Vasco Road. (The Discovery Center is located off Greenville, not Vasco Road.) GPS: Use the intersection of Greenville Road and Lupin Way, or 2450 Greenville Road, Livermore.
